## WHO WE ARE:

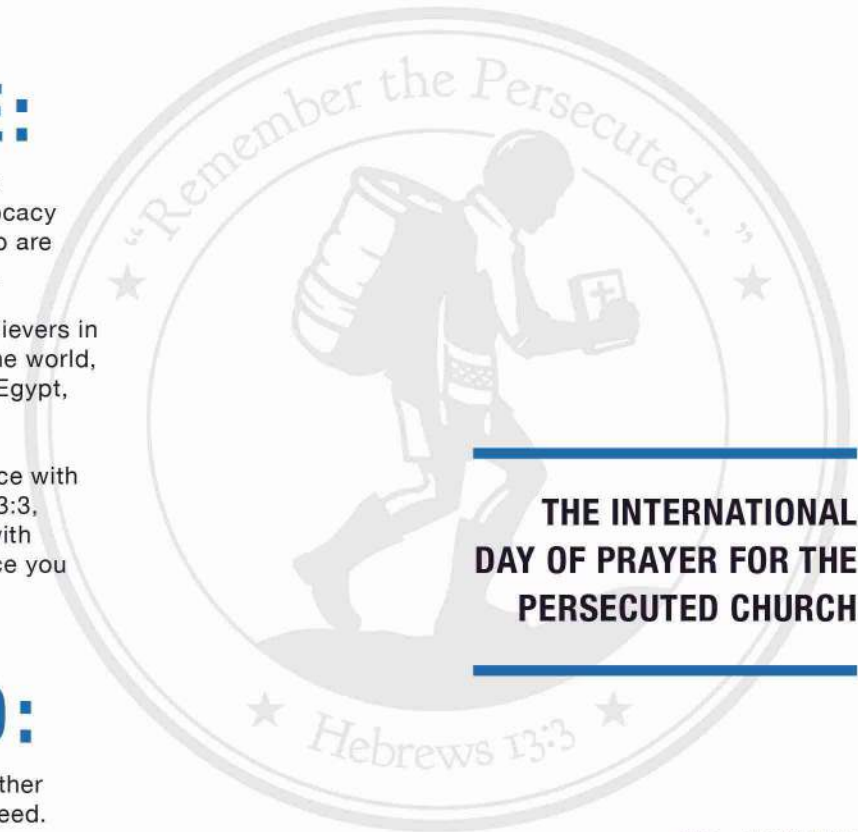

Christian Freedom International (CFI) is a nonprofit organization that provides advocacy and humanitarian relief for Christians who are persecuted for their faith in Jesus Christ.

CFI works on behalf of these afflicted believers in some of the most repressive nations in the world, including Burma, Bangladesh, Pakistan, Egypt, and Iraq.

CFI provides this assistance in accordance with the Biblical mandate found in Hebrews 13:3, "Remember the prisoners as if chained with them — those who are mistreated — since you yourselves are in the body also."

## WHAT WE DO:

- Distribute Bibles, food, medicine and other supplies to Christians in great material need.
- Provide schools, training and educational opportunities for persecuted believers.
- Advocate for persecuted believers to government officials in Washington, DC and elsewhere.
- Report urgent news on persecuted Christians on CFI's website, e-mail alerts, newsletters and social media.
