DIGNIFIED WORK

Christians in areas of persecution often lack – or are denied – ways to earn a living.

Christian Freedom International equips Christians with skills, tools, and materials to make the items in this catalogue.

All of our products are made by – and benefit:

Karen Christian refugees who fled Burma's brutal military. At Victory Bible Academy, they learn modern silk-screening and traditional weaving – along with Bible, business, English, agriculture, culinary arts, and more.

Pakistani Christian urban refugee families in Bangkok slums hoping to gain asylum. At our sewing center, they craft individual t-shirts, hoodies, and custom orders.

Blind, disabled, and Christian converts in Bangladesh sew clothing and make candles to sell on the streets.

"I am very happy to be able to work and make money for my children. We are ever so grateful to [CFI's co-worker] and CFI for providing us the work." - Christian refugee
